

FUNDRAISER FOR SALINA GREEN SCHOOLYARD PROJECT

September 19, 2023
5:00pm – 6:30pm

The Intercultural Community Center in Dearborn invites you to an event to learn about the Green Schoolyard project at Salina Elementary and Intermediate Schools and the environmental issues that impact the greater community around the Salina Schools in East Dearborn. We are fundraising to help purchase benches for the project. You can donate at the event and participate in the silent auction of student artwork. If you can't attend, you can learn more or donate/participate in the auction online through the Dearborn Education Foundation at the QR code below or visit interculturaldearborn.org
